

# 2011 School District Rankings

Bethlehem Central Schools took the top spot in *The Business Review's* 2011 School District Rankings.

It was the second time in four years that Bethlehem led the way, unseating Voorheesville, last year's top district.

Five districts climbed by at least 16 spots: Schalmont, Hoosick Falls, Windham-Ashland-Jewett, Canajoharie and Jefferson Central.

Several schools also fell by at least 15 places in the rankings: Argyle, Ballston Spa, Bolton, Chatham, Cobleskill-Richmondville, Hoosic Valley and Sharon Springs.

How does your district stack up? Find it in the table below (to see where your district placed on all the tables in the report, turn back to page 3 and see "Find your district").
